## TO WHOM IT MAY CONCERN

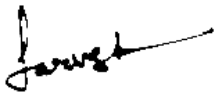

This is to certify that Rajdeep Das, a student of Heritage Institute of Technology, was an outstanding performer of Internshala's campus ambassador program - Internshala Student Partner (ISP) 17 during the period of March 2020 to May 2020. Rajdeep stood 5<sup>th</sup> out of 40,400 students selected from different colleges across India.

During this period, Rajdeep promoted Internshala and its products successfully and showed genuine sincerity and willingness to learn while taking on new assignments and challenges. He has really made an impact on us and eventually became an inspirational role model for others. At Internshala, we consider ISPs, our biggest strength when it comes to educating college students across the world about the power of internships and online trainings.

We believe Rajdeep would be a great addition to any organization, adding value to fellow colleagues by participating in discussions, and providing a unique perspective on a wide variety of issues.

We appreciate the effort put in and wish Rajdeep all the best for future endeavors.
